Dear Alex Sample

Re: Accredited Employer Work Visa application

We are writing about your application for an Accredited Employer Work Visa.

Before we decide it, you have the chance to comment on the following concerns.

1. Your questionnaire gives your start date with Example Freight Ltd as 03/2022.

Your employer's letter states you have been employed since 1 June 2022.

2. Your application lists a police certificate, but none has been received.

3. Your application form states you have lived at 12 Example Street since

January 2021.

Please provide evidence of when you began living at this address.

If you do not respond by 7 November 2026, we will decide your application on the information we hold.

Yours sincerely

A. Officer, Immigration Officer
